# Created with Care

- > Essential oil of *Rosa x damascena* petals based on presence of at least 3.3 mg Citronellol per 100 g of the product.
- > Highest quality pure sesame oil used as a base for essential oil extraction.

## Extracted by maceration method <sup>1</sup>

The benefit of our extraction method is that more of a plant's essence is captured and our oil is closer to retaining more of the petals valuable offerings.

## What can our rose oil do to you? <sup>2,3</sup>

- Giving the skin a radiant, healthy glow
- Reducing wrinkles and fine lines
- Healing wounds and scars
